what makes the management bible special is that all the knowledge you need on management has been encapsulated in one comprehensive handy volume covering topics such as managing yourself staff relationships office crises interpersonal conflict and skills building the book offers step by step solutions to over 300 common management challenges and problems packed with practical no nonsense advice the management bible is informative authoritative and a wonderful survival manual for managers at all levels

grindhouse filmmaker andy milligan has been the subject of a revealing biography and boasts a grassroots fan base but his remarkable work has thus far received no serious critical overview working virtually alone on

infinitesimal budgets often using a used 16mm newsreel camera milligan crafted some of the most unique melodramas of the 1960s and 1970s often mounted as period pieces using costumes sewn by the filmmaker milligan s gritty bizarre films come across as inimitable meldings of the avant garde theater of jean genet the experimental films of jack smith and the random cinema verite of a lunatic with a home movie camera yet milligan s films are anything but random ruminating at length on profound sociocultural themes of the day including the emptiness of the sexual revolution evident throughout all the films are two pet themes a rabid deconstruction of the heterosexual paradigm and a grotesque illumination of the family as breeder of dysfunction

return to the caffe cino gives a fresh exciting portrait of the non commercial ny theater scene in the 1960 s the scene is painted here by dozens of short essays by the artists that were a part of the creative fission that flared so brightly there and that still influences so much of today s theatre the eyewitness stories are usually hysterically funny filled with that sense of freedom that ignited a movement that continues today in small independent theaters and the editors of the anthology have filled the pages with vintage pictures including one of a fifteen year old bernadette peters getting her start at the caffe cino

this book distils just about everything relating to successful management practice into practical and immediately accessible how tos providing answers to all your management problems and questions in straightforward language with the minimum of fuss you no longer have to separate the practical ideas from entangling management jargon and theory the authors have done all that for you over 200 topics appear as double page spreads and each is cross referenced and presented as a step by step solution to management problems and issues

this fascinating book traces the entire story of westport country playhouse from its beginnings in the midst of the depression to its 75th anniversary renovations and rejuvenation filled with colorful characters it is a story that will appeal to everyone who has ever been enchanted by live theatre

australian management essentials is the most comprehensive book about management available this invaluable reference covers all topics essential to senior managers front line managers and supervisors hundreds of step by step solutions are presented in a uniquely accessible structure along with proven leadership tactics and expert management tips discover everything that the australian manager needs to know in order to manage and lead effectively in the workplace
