universiti malaysia sabah ums through the faculty of tropical forestry formerly known as school of international tropical forestry have conducted forestry camp in the forestry education curriculum since it was introduced in 2000 every year we bring the students sometimes two troops in a year to train them as a forester at the same time the lecturers and staff prepare the teaching materials and equipment needed for the camp and of course we teach them relatively similar content every year by the respective lecturer or expert with staff assistance indeed writing this book is not an easy job when we have so many ideas but quite challenging to transform in a book due to time constraints and other commitments by the lecturers for many years however we got

the motivation that we want the best for our students and we have experience in coordinating forest camps for many years therefore we wrote this book to provide a guide and practical to the students about forestry camp for learning forest mentoring both theoretical and practical as a compliment in achieving forester values in the related forestry discipline hard skills as well as soft skills more than that this book is also intended to reach a broad audience on basic knowledge about how to survive in the forest introduction on some wild edible plant and non forest resources birds wildlife forest recreation as well as camping hazard management for those people who are intended for organizing camping in the forest we hope that this publication provides invaluable insights that may help not only forestry students but also the people who love and enjoy the forest

did you know salt was used as a currency to pay roman soldiers the don juan pond is so salty that it does not freeze the word is derived from salarium meaning salary where would the world be without salt too little salt or too much will cause imbalance salt is all around and used in many different ways salt plays a crucial role in many things such as the body food and on roads just as salt is crucial and necessary so is a schedule schedules are crucial components in many things which impacts workflow supply chain and time management across industries and day to day life much like salt scheduling is an ingredient in life and business it usually is present in some way or capacity in our lives
